

Shine - Choir sections highlighted

It's time to start believing that our God is
who he says he is (says he is)

It's time to start believing that he really is
alive

The one who set the stars in place

Who fills us with amazing grace

Is right here in our lives

Oh, oh, oh, oh, we worship you Lord

Oh, oh, oh, oh, we worship you

We want to,

Shine, shine, shine

We want to shine, shine, shine

We want to shine, shine, shine

So let faith arise

We want to,

Shine, shine, shine

We want to shine, shine, shine

We want to shine, shine, shine

So let faith arise

It's time to start believing that our God is
who he says he is (says he is)

It's time to start believing that he really is
alive

The one who set the stars in place

Who fills us with amazing grace

Is right here in our lives

Oh, oh, oh, oh, we worship you Lord

Oh, oh, oh, oh, we worship you

We want to,

Shine, shine, shine

We want to shine, shine, shine

We want to shine, shine, shine

So let faith arise

We want to,

Shine, shine, shine

We want to shine, shine, shine

We want to shine, shine, shine

So let faith arise

We long to love incredibly

To see your healing power

Forgiveness flow like rivers now

Letting go of all that's past

Compassion, and action

Outward looking through and through

Help us see that nothing is impossible for
you!

We want to,

Shine, shine, shine

We want to shine, shine, shine

We want to shine, shine, shine

So let faith arise

We want to,

Shine, shine, shine

We want to shine, shine, shine

We want to shine, shine, shine

So let faith arise

(Note - the version we will do will just have
a repeat of the chorus again here)

We want to,

Shine, shine, shine

We want to shine, shine, shine

We want to shine, shine, shine

So let faith arise

We want to,

Shine, shine, shine

We want to shine, shine, shine

We want to shine, shine, shine

So let faith arise
